

# NORTHSHORE HAMILTON – CEDAR ROAD & MACARTHUR AVENUE PROJECT

CONSTRUCTION UPDATE

Issued: 15 March 2022

## Roadworks: Changes to Carpark 2 access

We wish to advise of some upcoming changes to the vehicle access to Carpark 2 (the carpark closest to the Citycat terminal and Northshore Tennis and servicing Eat Street) (see plan overleaf)

### What will the changes involve?

The changes will include:

- permanent closure of the temporary entry to Carpark 2 off the Angora Road roundabout.
- Access changes to the new Carpark 2 driveway entry adjacent the Northshore tennis courts off MacArthur Avenue.
- changes to footpath arrangement/access around Carpark 2 and the Riverwalk

### When will these changes take effect?

The change is scheduled to take place on Monday 28 March 2022.

### What are the impacts of the works?

- Changed Traffic Conditions - Vehicles will be able to enter and exit Carpark 2 from from the west on MacArthur Avenue at all hours. Vehicles will not be able to enter Carpark 2 from the east on MacArthur Avenue. An update with further detail will be released in coming weeks.
- Pedestrian route - Pedestrians will be able to use the new footpath to access the Northshore tennis courts, Eat Street Northshore and Riverwalk from MacArthur Avenue from the west.
- Construction works will still be visible around the site while this arrangement is in place.

We would like to thank residents and road users in the area for their patience and understanding while this important project progresses.
